Dear Joan:

Many thanks again for your great help during our trip to [redacted] and most especially for the cocktail party at "our" house and the lovely dinner in your home. I enjoyed very much the opportunity to meet our mutual friends.

It has been a wonderful trip but I must say it is great to be home again with my family.

With my thanks again and warm regards to [redacted] and you. STATINTL

Faithfully yours,

/s/ MSC

Marshall S. Carter  
Lieutenant General, USA

P. S. Please tell [redacted] he's doing a fine job.
